skiers of relatively limited al find a place to shine. But b here can be quite challengir trails are icy and carved into d crowd of skiers.

Perhaps the skiing at t might be more to your liking. over 2,000M, dare I say it, it pretty easy skiing. The Dui provides both intermediate ar ing all the way down to Lace side the village, and if you do venture up any cable cars in tl the skiing around Pocol is: delight.

A little out of the way a: is the skiing around Lagazuoi you get there you are in for a re only is it the entry point to Ar Passo Falzarego, it is also he pretty forgiving skiing and s rable views.

The other side (not the a different matter altogether of the slopes are of decent in standard, and there are also which are suitable for novi where you will find a lot of t people, who, naturally enou do much posing if they are fear with their skis flapping i
